Selfishness is not living as one wishes to live,

it is asking others to live as one wishes to live.

Oscar Wilde, the greatest novelist of the 19th century, once said...

"The only way to get rid of temptation is to yield to it."

変態王子と笑わない猫。

This is a story that my revered Oscar Wilde wrote.

In a certain place, there existed a statue called the "Happy Prince."

He was gilded all over with thin leaves of fine gold, and mounted with jewels.

The statue was considered very elegant.

Beautiful, isn't he...

He looks truly happy!

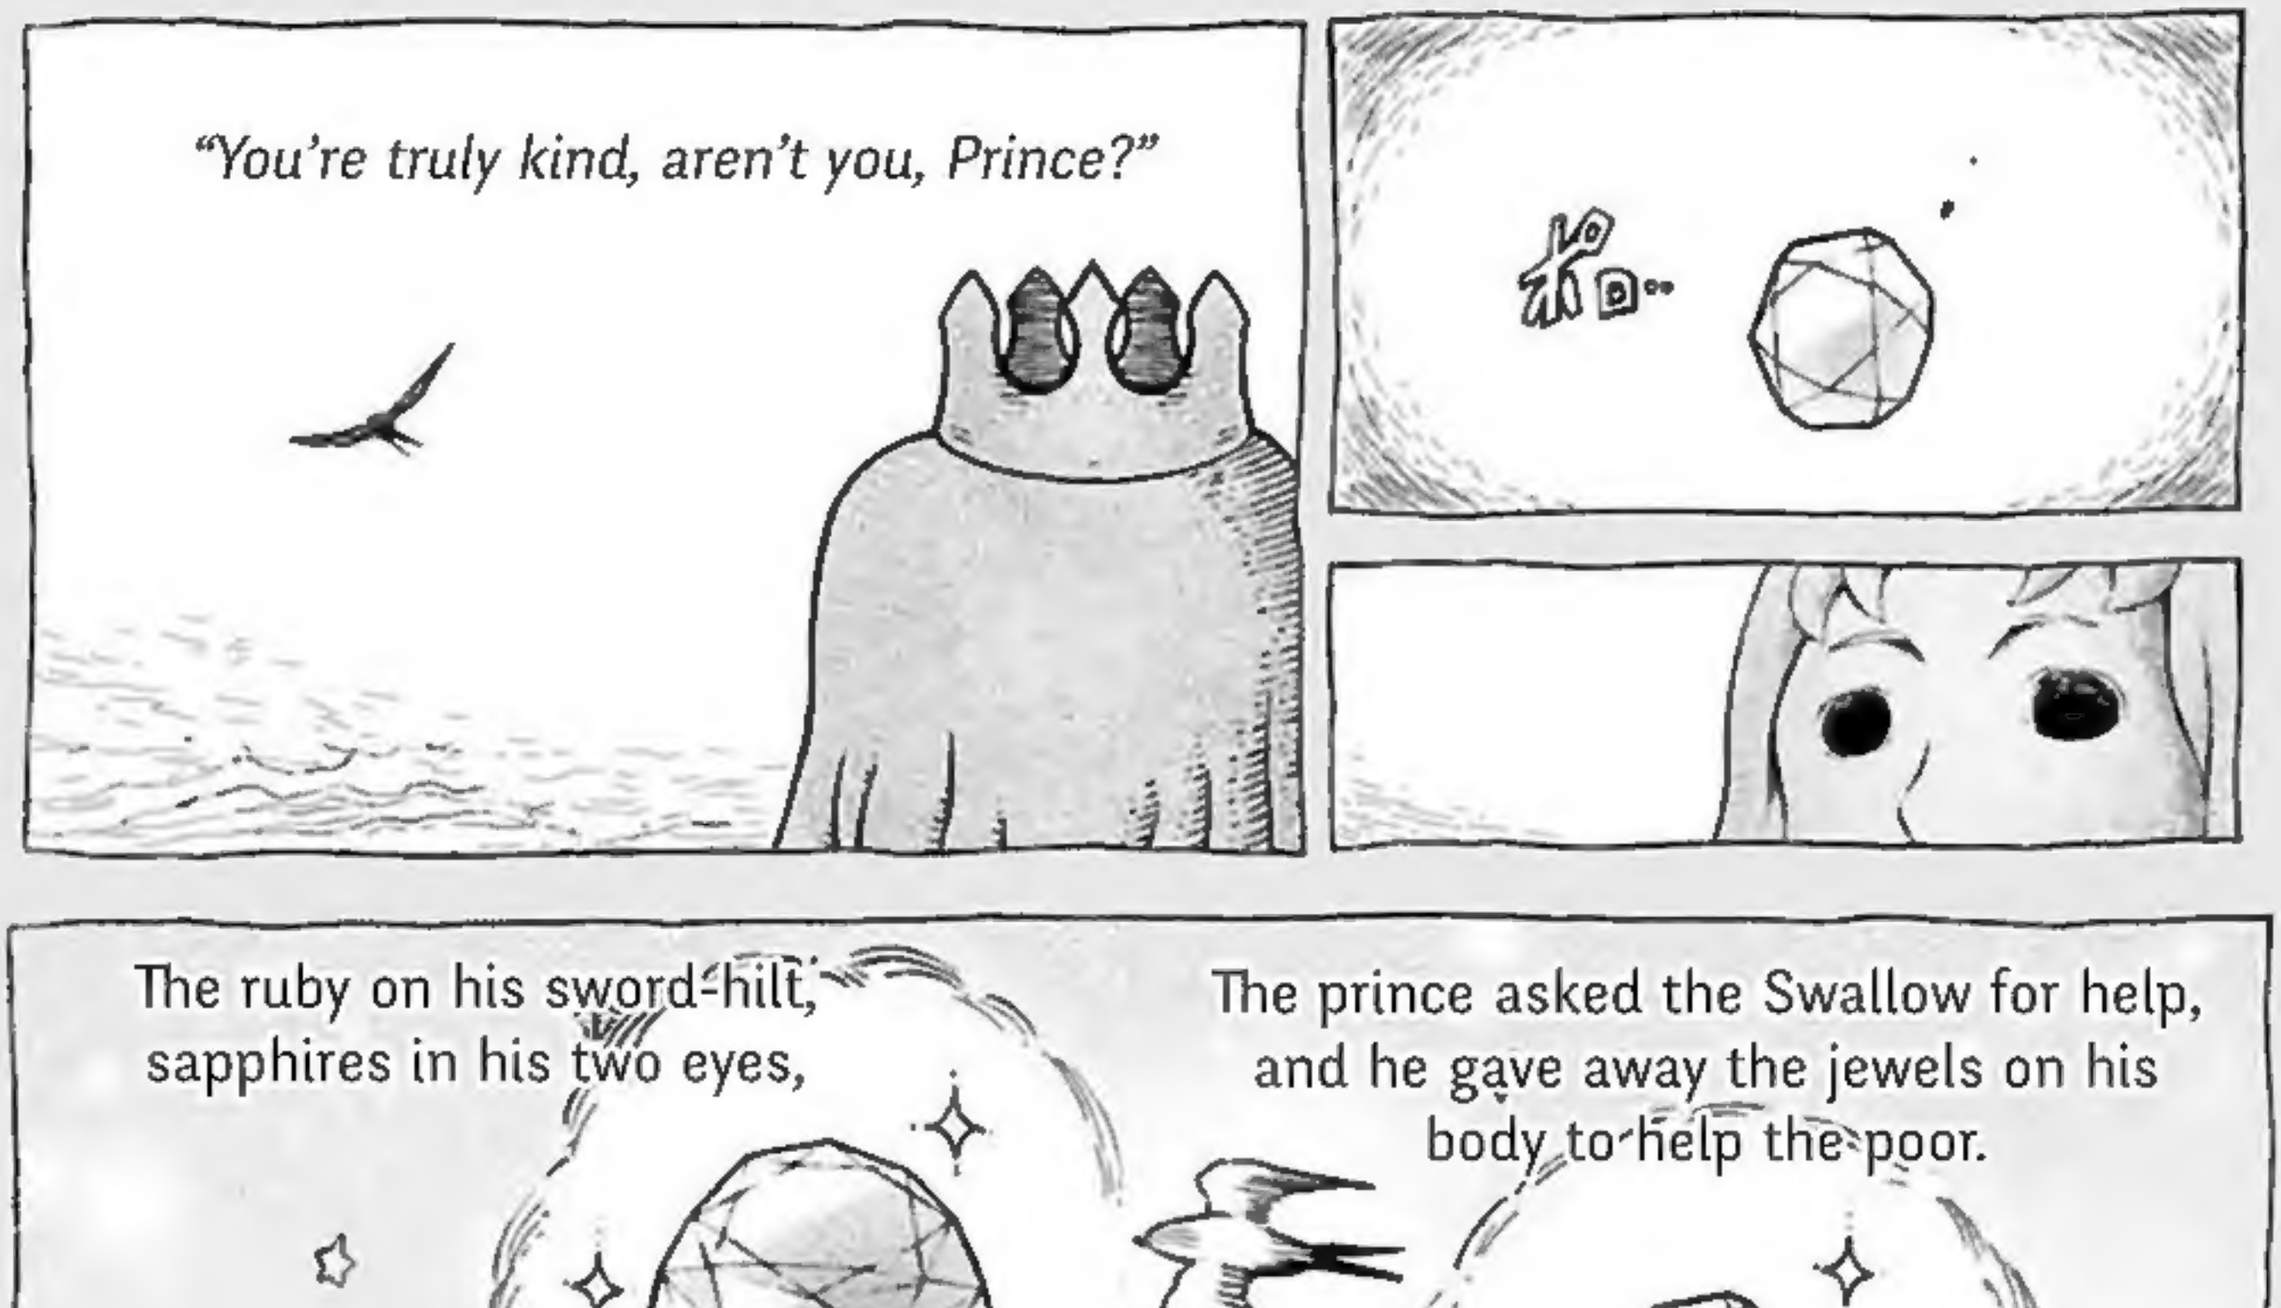
He's like an angel!

"From here, I can see all the ugliness and misery of my city..."

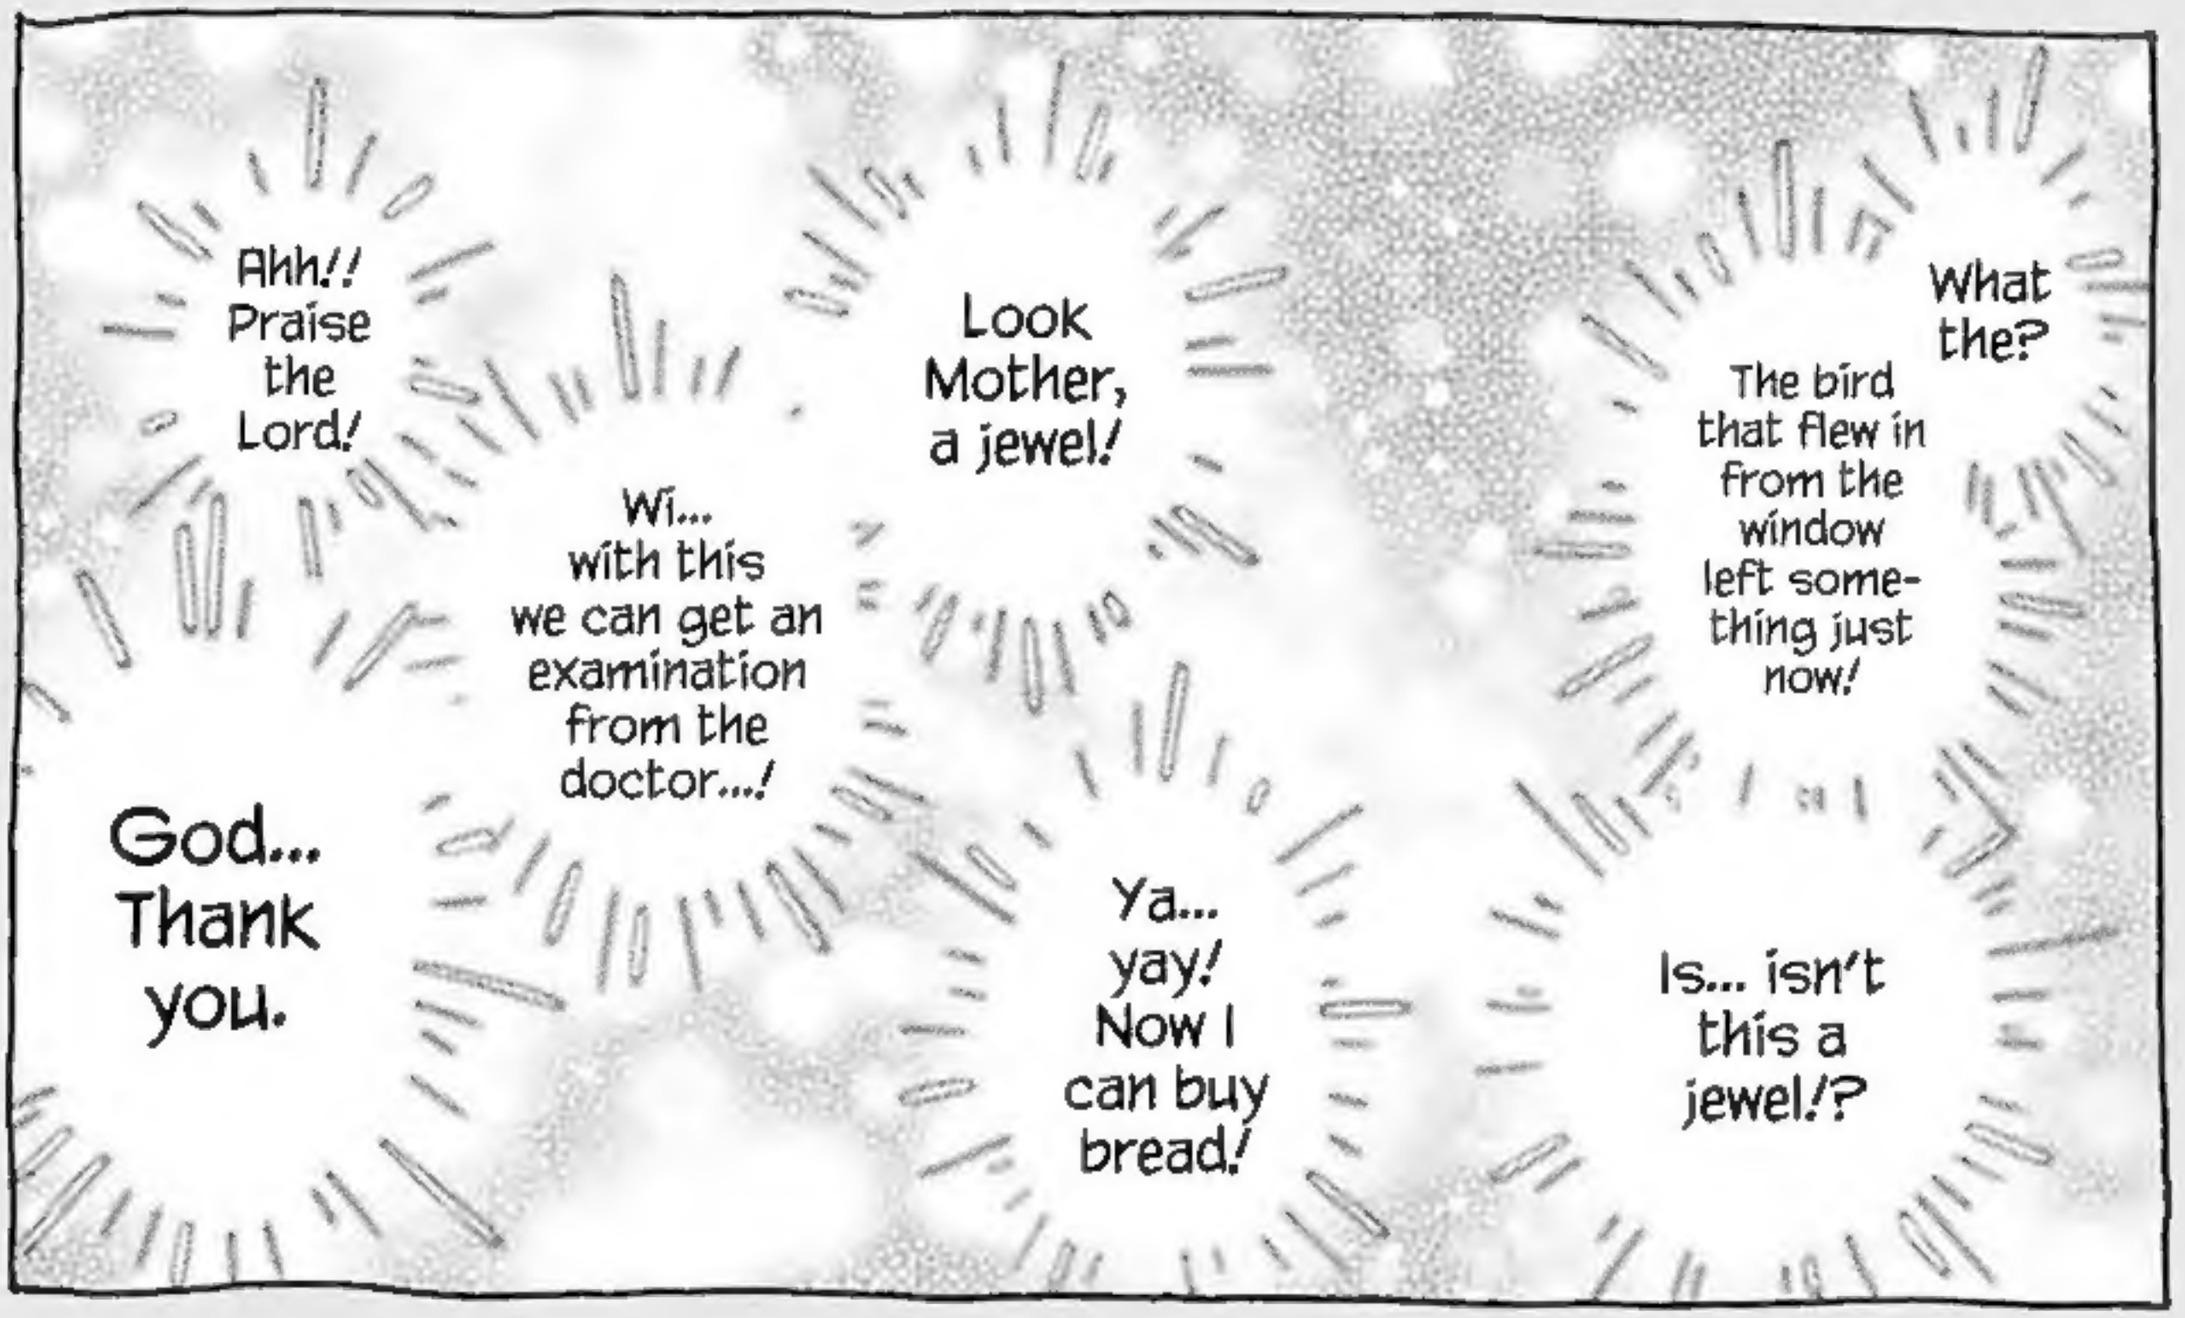
"and happy indeed I was."

"When I was alive... I lived in the Palace..."

"With the jewels on my body... would I not be able to help them?"



"You're truly kind, aren't you, Prince?"
The ruby on his sword-hilt,
sapphires in his two eyes,
and even each and every leaf of fine gold on his body was picked off...
The prince asked the Swallow for help, and he gave away the jewels on his body to help the poor.



Ahh!! Praise the Lord!
Wi... with this we can get an examination from the doctor...!
Look Mother, a jewel!
What the?
The bird that flew in from the window left something just now!
God... Thank you.
Ya... yay! Now I can buy bread!
Is... isn't this a jewel!?

and his golden skin picked off,
at last turned grey.

The Prince,
having lost
all the
jewels on
his body,

How shame-ful...

It's completely useless now.

How pitiful...

What a shabby statue.

Prince...

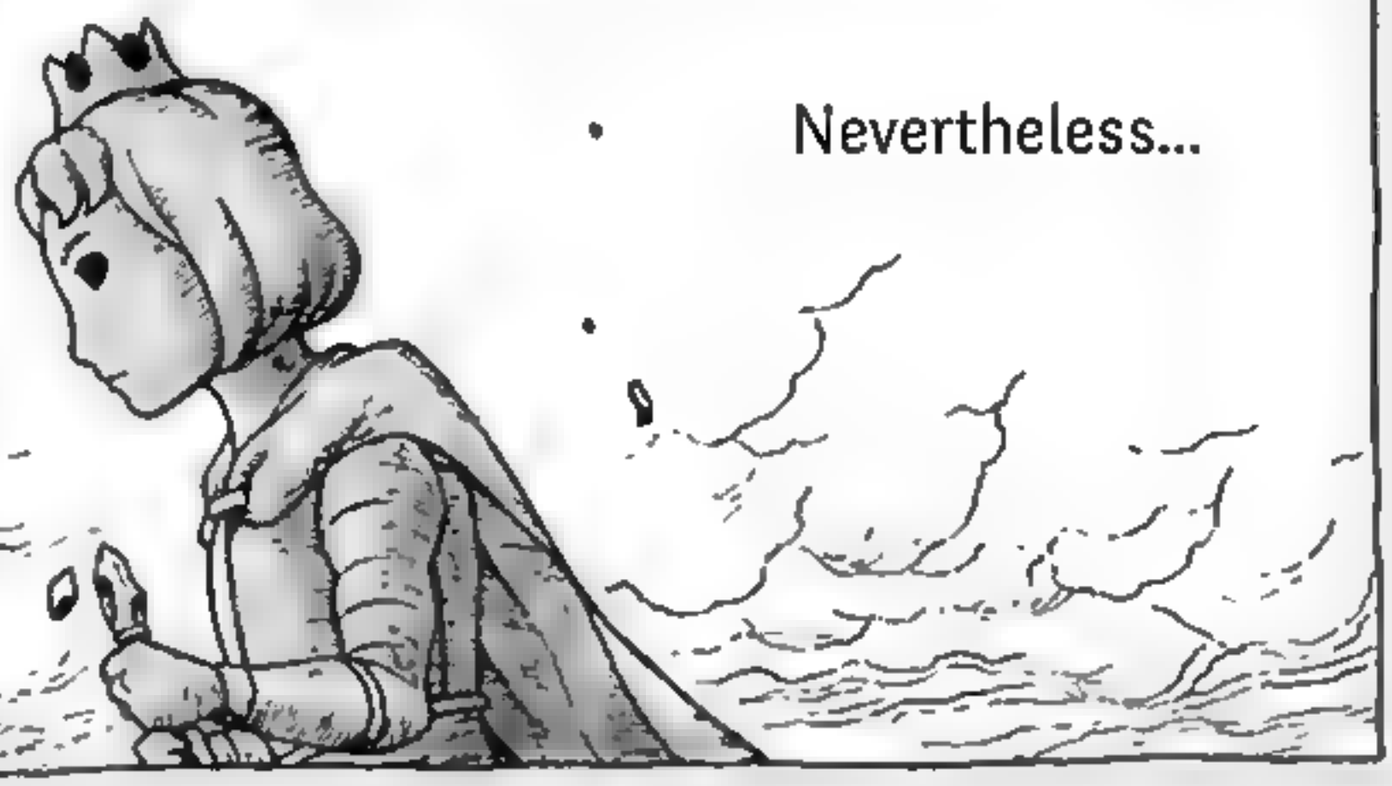
Let us tear it down.

it wanted to give one last farewell to him.

As the Swallow was reaching the end of his life along with the Prince,

And...

What if, at that time,



Nevertheless...

If the Swallow was the one thing the Prince gave the townspeople all of his happy memories as well?

The athletic festival's coming, huh?

Which contest were you gonna join again, Tsutsukakushi?

しーん……

Ah-

……

he hadn't remembered, then perhaps...

It was a good season with the aroma of fragrant olives floating in the air

If only there wasn't the issue with Azuki Azusa...

Umm...

Under a blue sky which seemed to penetrate upwards towards no end,

There are signs that he's being stalked, though.

he hasn't received any contact from Azuki Azusa whatsoever.

She... she saw us!?

Ever since then,

Tsukiko,

which independent contest will you be participating in, hmm?

Tsu-Tsu...

Umm... At the athletics festival,

What should he do now...?

Note: Tsukiko wanted Yokodera to be more intimate with her by calling her "Tsuki" without any suffix, but he's still hesistant to do so

Now that I think about it, you're right.

I'm gonna be in the relay for the track and field club...

But because of my infamy, I don't have anyone to train with... you see...

Woah, I could've guessed, ***Miss Starving Devil!***

The ***Mochi Eating Contest.***

How rude.

I'm just saving up nourishment for my growth period.

Sooner or later, I'll be in my growth period,

...Err, hello?

Tsutsukakushi-san?

so once I'm an adult, I'll win it all.

yeah

That's how far it's gotten, huh...

Senpai's hated by every single living Kouhai on this blue planet.

TL Note: A Kouhai is a lowerclassman

I'm your only close friend.

I see.

Ahh...

Ah-

Umm ...

I wonder if there's ***someone in distress*** somewhere?

Hm, hmm~

...I'm free today,

so maybe I'll help someone out...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.

Tsu-tsu...

Tsukiko ...

I beg you...

no matter what...

If you say that I must,

If that's the case, will you join me in my training?

...I'll think about it.

...

Senpai.

Yo-Yo...

You ...

Yo... to-kun.

Hm?

Cough Cough

Note: MC's full name is Yokodera Youto. She's trying to call him by his first name because she wants to be more intimate.

Uwahh!?

Fuwah-
hyah!!

Nngoh!?
